

**TEMPORARY SEND-OUT ENDED FOR  
IMMUNE PANEL, T-CELL PANEL, TOTAL T & B CELLS**

October 17, 2022

**ENDED: TEMPORARY  
SEND-OUT**

Effective October 18, 2022, Pacific Diagnostic Laboratories (PDL) has resumed in-house testing for the **Immune Panel, T-Cell Panel, Total T&B Cells**. The temporary send-out to LabCorp has been discontinued.

**ACTION:** Please review and update your electronic medical record (EMR) test listing as appropriate.

**REACTIVATED TESTS:**

Test Name	Order Code
Immune Panel	LAB9421
T-Cell Panel	LAB9142
T and B Cells, Total	LAB9446

**TEMPORARY SEND-OUT TEST DEACTIVATED:**

Test Name	Order Code
<b>T- and B-Lymphocyte and Natural Killer Cell Profile</b>	LAB10925

Please contact PDL if additional information is needed to make these changes. The original notice regarding this temporary send-out was sent on October 6, 2022.

We appreciate your business and apologize for any inconvenience this temporary send-out caused.
