

TEMPORARY SEND-OUT URINE PROTEIN ELECTROPHORESIS

June 19, 2023

Effective June 20, 2023, Pacific Diagnostic Laboratories (PDL) will be sending urine electrophoresis to our partner referral lab, LabCorp. This is due to a shortage of technical resources. The temporary send-out will span several months.

**URINE ELECTROPHORESIS
TEMPORARY SEND-OUT**

Impacted Test Codes:

- LAB9942 Protein Electrophoresis, Random urine with Pathologist Review
- LAB9940 Protein Electrophoresis, Random urine
- LAB9936 Immunofixation, Random urine
- LAB9939 Immunofixation, Random urine with Pathologist Review

ACTION NEEDED

- ✓ **Short-term:** PDL will cancel and reorder test requests on specimen receipt
- ✓ **Long-term:** Please update your office electronic medical record (EMR) and/or requisitions to the send out codes

Send-Out Tests Codes:

- LAB10977 Protein Electrophoresis, Random Urine (LC 354928)
- LAB10980 Protein Electrophoresis, (Reflex Immunofixation), Random Urine (LC 003715)
- Reflex for LAB10980 if M-spike is present: LAB120725 Reflex IFE, Random Urine (LC 120725)
- LAB10981 Immunofixation, Urine (LC 123034)
- LAB10976 Protein and Creatinine, Random Urine (LC 003129)

Lab Code/Test ID	Test Name	LOINC
LAB10977/1230119092	Protein Electrophoresis, Random Urine	34539-7
LAB10980/1230119097	Protein Electrophoresis (Reflex Immunofixation), Random Urine	
<i>Component Code</i>	<i>Component Name</i>	<i>LOINC</i>
