

Orderable Code Change for Cyclosporine & Sirolimus

July 6, 2023

Effective July 11, 2023, Pacific Diagnostic Laboratories (PDL) will be changing the test codes for Cyclosporine and Sirolimus as noted below. These tests will now be sent to our partner referral lab. PDL is decommissioning the aged testing system these assays are performed on.

**SIROLIMUS
&
CYCLOSPORINE**

NEW TEST CODES to ADD:		TEST CODES to DEACTIVATE:	
LAB101046	CYCLOSPORINE, WHOLE BLOOD	LAB874	CYCLOSPORINE LEVEL (WHOLE BLOOD)
LAB101045	SIROLIMUS, WHOLE BLOOD	LAB875	SIROLIMUS LEVEL (WHOLE BLOOD)

SHORT-TERM ACTION

On receipt of orders, PDL will cancel and reorder test requests starting July 11, 2023.

LONG-TERM ACTION

Please update your office electronic medical record (EMR) and/or requisitions to the new codes.
